

PARK TOWERS
AT DIFC

www.damacproperties.com

The largest private freehold property developer in UAE, Damac Properties, is a part of Damac Holding, a multi-million dollar conglomerate with operations in over 18 countries and more than 6,000 employees. Damac Properties is changing the landscape of UAE, delivering the latest concepts in state-of-the-art living.

LIVE THE LUXURY

Damac is probably the only developer that has registered its presence in every upcoming development in UAE. Lakefront or sea-view, every Damac creation is a perfect fusion of design and vision. Each one of them bears a distinct architectural signature, uniquely designed to stand out in UAE's rising skyline, thus becoming the icon of exclusivity for residential, retail and office spaces.

Dubai, promises to be the destination for intelligent property investors. With some of the most breathtaking buildings and prestigious projects, Dubai is rich with every conceivable contemporary comfort.

THE CITY OF TOMORROW

A truly designer city, Dubai boasts of a lifestyle that is unique, yet desirable. A bustling metropolis, with towering skyscrapers and quiet boutique offices, Dubai is clearly a business hub and commercial capital of the region. With world-class shopping malls, restaurants, cafes and entertainment facilities, Dubai is the city of the future.

Located at the crossroads of the major international capital markets of New York, London and Hong Kong, Dubai is the hub connecting the region with the 24 hours/7 days a week global financial network. Conceived by the Government of Dubai for the benefit of UAE, the location is merely seconds away from Gold, Stocks & DIFX and minutes away from the epoch making monorail transport system.

A SELF-CONTAINED LOCATION

A unique integration of buildings, offering everything expected of a world-class cosmopolitan city - including offices, serviced apartments, hotels, shops and restaurants, it even has a museum, an art gallery and a performing arts centre adding to its attraction as a resort destination.

Inspired by the evolution of Dubai and the undulating soft forms of the desert, the Park Towers is an incredible twin landmark. A two-tower residential project, it has been designed by some of the finest architects in the world.

APPEALING TO THE MOST DISCERNING TASTES

Its duality, expressed by the two vertical solid fins, represents the rigid urban form reaching into the sky, from which the curved expressive soft form of the tower façade is suspended. Offering a panoramic view of Dubai and the financial centre, the towers express the aspiration of modern living within an exciting urban development.

Surrounded by lush green walkways

Exquisite 1, 2 and 3 bedroom apartments

Beautifully designed lobby

Designed to provide exceptional comfort and convenience, Park Towers is poised to be the most sought after address in Dubai's International Financial Centre. A true masterpiece of contemporary architecture and distinct styling.
